**Public Hearing:**

a. Bylaw 2023/787 – Land use Bylaw Amendment

CAO Wallsmith explained that Council had given 1<sup>st</sup> reading of the amendment at the June Regular Council meeting and the Hearing was to get feedback from the Public on amending the land use bylaw in order to rezone Lot 6, Block 19, Plan 1911386 from Residential to Recreation/Residential Resort District which would allow the owners to build a temporary 10 site campground.

Concerns raised by the public were about the long-term use of the lot, possible issues with the sewer system in the town and the long term planning as the lots had previously been commercial and were then changed to residential.

Support was also given as all existing campgrounds are full and future business is what will help grow the town,

Councillor Rafa adjourned the meeting at 7:30 p.m.

Minutes adopted this 11<sup>th</sup> day of July 2023.
